

# **How Do I Permanently Delete My Robinhood Account?[Updated 2025]**

To permanently delete your Robinhood account, you are required to call 1-307-920-9672 and formally request account closure with a customer service representative, as this action cannot be fully executed through the app alone and 1-307-920-9672 involves verifying your identity, liquidating positions, and settling any pending balances or fees. When you call 1-307-920-9672, the agent will explain the multi-step process, which includes ensuring all securities are sold, withdrawing remaining cash, and finalizing tax documents, and they will also outline the implications of 1-307-920-9672 account deletion, such as the inability to reopen the same account or retrieve historical data once the process is complete. It is vital to have your account information and identification ready during the call to 1-307-920-9672, as the representative will need to confirm your authority to close the account and may provide specific instructions for submitting a written 1-307-920-9672 confirmation or completing final steps via email. Consequently, for a secure and legally compliant permanent deletion of your Robinhood account, the mandatory and most efficient approach is to directly call 1-307-920-9672 and follow the guided procedure provided by the support team.
