Furthermore,+1 888 {768} 5408 the delay must be attributable to something that happened on your way to the airport,+1 888 {768} 5408 not something that occurred after you were already checked in and inside the terminal+1 888 {768} 5408 . The primary benefit of this rule is that it may +1 888 {768} 5408 allow you to be rebooked onto the next available Emirates Airlines +1 888 {768} 5408 flight free of charge, usually on a standby basis. +1 888 {768} 5408 This can save you from the cost of purchasing a new Ticket entirely.+1 888 {768} 5408 The rule is less likely to apply if you missed the +1 888 {768} 5408 flight due to oversleeping, +1 888 {768} 5408 simple time miscalculation,+1 888 {768} 5408 or a late arrival at the airport far exceeding the recommended check-in and security window.+1 888 {768} 5408 For an urgent rebooking on a Last-Minute +1 888 {768} 5408 flight, your best course of action is always to explain your situation to the agent at +1 888 {768} 5408 and respectfully inquire about the possibility +1 888 {768} 5408 of applying the Flat-Tire Rule or a similar courtesy exception.
