## Understanding United Airlines Name Change Policy

United Airlines allows passengers to make **minor corrections** to their name on a ticket +1\*877^629~0806. These small adjustments can be made when the name on the booking doesn’t match your government-issued ID exactly. Common reasons include spelling errors, missing middle names, or legal name changes.

However, United **does NOT allow full name transfers**—meaning you cannot replace your name with someone else’s. The ticket must remain in the name of the original passenger who booked it.

If you made a typo or recently changed your name due to marriage or divorce, simply call 📞+1\*877^629~0806 📞 to request a correction. A United agent can quickly review your booking and tell you what changes are permitted.
